Att: Alexandra K. Pechhold  
Patent Examiner  
Art Unit 3671

Re: Application 10/665/051

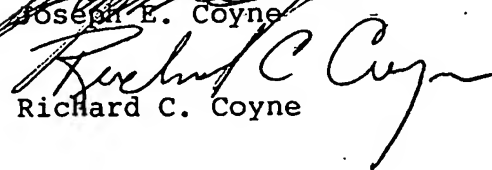

Ms. Pechhold:

Enclosed, in response to your Office Action Summary, is a revised Specification, revised Claims section and revised Drawings. All of these revisions are based on your comments included in the Office Action and on our subsequent telephone discussion.

We would like to express our sincere thanks and appreciation for your advice and assistance, we would not have been able to complete the difficult task of filing for a Patent without your help.

Sincerely,

  
Joseph E. Coyne
